Public Procurement

The Ministry of Labour and Social Affairs and the Ministry of Regional Development  
are organising an international expert conference

# INNOVATION IN PUBLIC PROCUREMENT AND STRATEGIC PUBLIC PROCUREMENT

## Current trends and challenges

### 3 October 2022, Czech National Bank Congress Centre

Conference topics:

- **The importance of innovation in public procurement and strategic public procurement in the context of current European challenges**
- **Successful implementation of innovation in public procurement and strategic procurement at national level**
- **The role of centralisation of public procurement from the perspective of innovation and strategic procurement**
- **The role of control and supervisory authorities in strategic procurement and innovation**

## 7<sup>th</sup> Annual Conference

# RESPONSIBLE PUBLIC PROCUREMENT 2022

### 4 October 2022, Czech National Bank Congress Centre

The seventh annual conference will focus on current trends and experiences in strategic public procurement. The following topics will be discussed:

- **Green public procurement** - effective implementation and new trends
- **The future of strategic procurement** - from the perspective of current leaders
- **Responsible procurement in food and catering** - experiences and new inspirations
- **Sustainable procurement in the construction sector** - new examples
- **How to use responsible procurement effectively** - inspiring examples from contracting authorities
- **Sustainability in public procurement at municipal level**
- **Data in public procurement** - how we measure responsible procurement
- **National Competence Centres** and their role in supporting strategic procurement
- **Good practice marketplace** - showcasing new inspirational public procurement

The conference will also include the presentation of the 2022 Responsible Procurement Awards.

The conference is held within the framework of the Responsible Approach to Public Procurement - Strategic Procurement project, which provides information to the professional public on sustainable public procurement, organises training and seminars, conducts research or publishes examples of good practice.

---

**Participation in both days of the conference is free of charge.**
